Optional e-billing:

For those who would like e-bills or to pay online (or both), go to our website www.cityofwilliamsonga.org and to the "City Hall" tab. Click on the "Pay water bills" button and follow the instructions. You will need your account number, which is and your pin in order to set up an account. Your account number is on your bill, but you will need to contact city hall for the pin.

You will then be able to get email alerts, check your account status and balance and pay bills. It doesn't obligate you to pay by card. It will also show you any fees involved.
